

KWF-2PM

KWF-2PM - Panel mounted 2 way "Quiet" DC axial fan system

Dimensions = 360mm x 190mm x 45mm (W x H x D)

Mounting dimensions = 380mm x 165mm (4x 6mm dia)

- Suitable for air intake or exhaust cooling (*specify when ordering*)

Individual fan specs

- Airflow = 140 cubic meters p/h
- Speed = 23000 rpm
- Sound pressure level = 39 dB(a)

"Quality Manufactured Fan Trays to British & EU Standards"

- ✓ Manufactured to BS5733 with UL, CSA & VDE approved components
- ✓ Earth bonded for total safety, compliant with RoHS certification & WEEE standards
- ✓ Current rating 5A operating voltage 250V AC
- ✓ 2x ebmplast 12V DC axial fans
- ✓ Step down transformer
- ✓ Textured black powder coated mild steel
- ✓ 1x C14 & 1x C13 inlets (optional mounting points)
- ✓ Daisy chain capabilities

Order code:

KWF-1PM-IN (air intake)

KWF-1PM-EX (exhaust)
